OTHER WORK EXPERIENCE

Areas of Expertise:

- Undergraduate and graduate level teaching experience
- Personnel Management: Hiring, Motivation, Discipline, Diversity
- Change Management Theory and Practice
- Strategic Planning/Business Planning
- Data Analysis and Data Mining
- Application of Various Quality Improvement and Quality Management Models
- Healthcare Industry: Regulations, Strategies, Clinical Analysis, Quality Assurance

Seton Health Network, Austin, TX July 1989 to December 2004

Title: Consultant, August 2001 to December 2004

Responsibilities: Provide consultation for clinical outcomes, research and primary data collection/reporting for patient safety initiatives.

Title: Director of Operations, Medical Affairs, October 1995 to July 2001

Responsibilities: Leadership of six clinical support teams for four urban acute care hospitals (110 employees, \$5 million budget).

Accomplishments:

- Developed measurement systems for tracking appropriate utilization of acute care resources and identifying barriers to appropriate discharge
- Developed and implemented training programs for new staff
- Automated the credentialing and peer review functions. Services were expanded from 800 to 1600+ physician members with no increase in staff
- Consolidation and standardization of division services with facility merger

Title: Director, Clinical Support Services, March 1994 to September 1995

Responsibilities: Leadership of two clinical support teams for two acute care hospitals (32 employees, \$1.4 million budget).

Title: Team Leader, Quality/Cost Measurement, May 1992 to March 1994

Responsibilities: Coaching/facilitation of team and projects. Analysis in obstetrics, orthopedics and neurosciences (4 employees, \$300 thousand budget).

Title: Planner, July 1989 to April 1992

Responsibilities: Product line planning/marketing. Strategic planning and demand forecasting. Feasibility studies. Supervision of three analysts.

DCNHS-West, Los Altos Hills, CA September 1988 to July 1989

Title: Regional Marketing Analyst

Responsibilities: Environmental assessments for current and new markets. Strategic marketing consultation for regional hospitals. Database management.

Desert Hospital, Palm Springs, CA May 1987 to August 1988

Title: Planner, Planning and Facilities

Responsibilities: Strategic, facility and product line (business) planning. Market research.

Providence Hospital, Mobile, AL July 1986 to April 1987

Title: Planning and Marketing Analyst
